

Why Sponsor Freestyle Skiing?

Pride. Because the athletes of the Canadian Freestyle Ski Team are a reflection of all of us, and a wonderful representation of the spirit and vitality of your company.

Taking a Stand. Because we believe your customers want more than a great product or service, they want to know what a company stands for.

A Tradition of Leadership. With more medals than any other team in the history of the sport, the Canadian Freestyle Ski Team is a leader in their world.

Matching Styles. Freestyle is unique and off the beaten path of tradition. The sport's unique qualities of panache, courage and skill are directly transferable to your corporate style.

Precious Medals. Every time a Canadian Freestyle Skier takes the winner's podium, your sponsorship shares the spotlight in national and international media exposure.

Common Purpose. Our vision is to succeed and to unite Canadians through sport, and that can only be good for business.
