

Competition Introduction – Club Coach Certification – Evaluators

If you are looking to set up a Final Evaluation for a “Trained” Club Coach, please begin by contacting a Trained Evaluator in your area. A full season should be spent “In the field” applying the information that has been trained. Communication with the Evaluator should begin immediately following your On-Snow Technical Workshop in order to confirm approximate date and location of Final Evaluation.

Final Evaluation includes:

- On-Snow - Plan a Practise
- Coach Workbook

Club Coach Trained Evaluators: (by province/area/email contact)
